Superintendent's Highlights

Moving into new high school. It has been rewarding to work with everyone in making necessary adjustments with the opening of a new high school.

Thank you to my peers who selected me as Superintendent of the Year.

Progress Towards Meeting District Goals

1998-99 Goals	Progress
To make transition to new high school as smooth as possible	Inspite of having the building completed late the transition went well.
To rewrite policy manual	We have completed about half of the policy manual.
To help staff members achieve technology certification.	Forty teachers are involved in classes and should have certification by end of summer.
